

# Sue Dahl

Hi. My name is Sue Dahl.

I am a board member of the AG Society, the recently elected Chair of the Library Board, and I have been on the Carmangay Fire Department for 23 years I am running for my second term as Village Councillor.

In my first term, I worked hard to be honest, transparent, and fiscally responsible. I believe I accomplished those objectives and I plan to continue, if elected again.

We started our journey on some rocky ground, as some of you are well aware, but after 4 years, I'm proud to say that the Village is looking pretty good. The water project has been completed, the community groups are working together again, there is money in reserves and we have some developments happening within the area. In the near and far future, my goals would be to continue with the growth of our community.

Growth is going to keep Carmangay alive. Isn't that what we all want?

**Nominee for  
Carmangay Village Council**
